Talk

Animals as Stargates of Information, The Living Library Called Earth & why it is so important to make our own Medicine Tools.

All materials supplied unless otherwise stated

MEDICINE BAG MAKING & ANIMAL MEDICINE JOURNEY

Learn simple creation skills to create a no sew leather medicine bag, Receive the DNA and medicine teachings of a variety of Earth's Creature Teachers, then take these gifts with you on a guided journey to become one with the animals and feel the limitlessness of being.

1.5 hours \$30 all materials included.

MAKE YOUR OWN FANCY DRUM BEATER

Create a drum beater with a hand sewn fitted head and handle, decorate with feathers, fur and beads. Fun and creative, at the end of this workshop you will not only have a beautiful drumbeater, but also the skills to make many more. Bring your own handle of dowel, stick, bone or antler. Workshop 2 hours \$30

RAWHIDE RATTLE MAKING

Make a rawhide rattle for ceremonial use. Place inside whatever you want to make the noise, sacred items, stones, crystals, herbs or more. Learn to make a leather handle for your rattle - this skill is valuable to be able to cover any handle with leather.

Held over 2 sessions for the rawhide to dry - \$60

MEDICINE BAG MAKING

Make a soft deerskin medicine bag to wear around your neck to keep your sacred talismans close by. Learn skills to cut, fringe, punch holes and sew leather to make this pouch, gifting you the skills to make many more. \$35

LEATHER HANDLE FOR A FEATHER

A simple, but very handy skill, of making a sewn leather handle for a single large feather. Bring your own large feather or feathers can be supplied - \$5ea. Decorate with small soft feathers, fur, fringing and beads. This workshop includes using feathers for healing and space clearing, keeping the feather cleansed, how to keep it free of feather eating mites, storing and transporting. \$35
